

Hello Friends,

Community Sponsorships has always been a key role of ours in keeping kids on the ice, and this year is no different. With rising costs due to our economy and changing times, **there is no better time than now**, to help keep our hockey program running successfully. I encourage business owners, family, friends, and all hockey fans to take time to consider one of our sponsorship programs. There is nothing like the feeling of knowing that you helped a child make their dream a reality. Let's have a fun and safe season.
